Solar Buyback Rate History

Below are the average buyback rates for our Solar Buyback customers on Shine and Radiant for each load zone. Please note that individual customer buyback rates will vary from these averages based on the quantity and timing of their excess generation.

These rates are for customers enrolled on a Chariot Energy Shine or Radiant plan, where credits for excess generation are based on the real time settlement point rates.

Date	Houston	North	South	West
Jan 2026	3.89¢	4.37¢	3.85¢	5.01¢
